Citrine Investment Services Ltd. offers a unique donations program to qualified investors. The program has been designed to assist charities to raise funds and, in turn, allows donors to utilize significant tax credits through the process.

Information about the program:

- the program has promoted donations overall
 - a trust foundation has been established to manage the funds
 - the program has been registered with the Canada Revenue Agency (CRA) as a tax shelter
 - avoids valuation issues. Cash is received by the Trust Foundation as the asset
 - the tax opinion has been obtained from top Canadian legal professionals
